Recent Accomplishments

In the past thirty days, we have accomplished:

- The 2nd Annual Kids First Conference was held at the Columbia Convention Center on September 27th and 28th. This event was stellar! Thank you to all that attended. We hope you found the content of the sessions to be applicable to your current goals and needs.
- SCPCSD's Academic Recovery Plan Self-Assessment was submitted to SC Department of Education as directed on September 27th. This self-assessment allowed district staff to reflect on our current ARP/ESSER implementation and ensure we were on track to spend and account for remaining funds by the closure of ESSER III in 2024.
- District staff facilitated the second Performance Framework Core Team meeting in its continued work toward developing the new system.

Our Current Work

Our current work priorities are:

- FY23 Quarter 1 has officially wrapped! Please take time to review your grant spending and claims for the current fiscal year. All Q1 expenditures, July 1 - September 30, are due in Epicenter no later than November 15, 2022.
- FY22 School annual financial audits are due in Epicenter Oct. 15.

A Look Ahead

Highlights of upcoming events/happenings in the next thirty days:

- Our Performance Framework Core Team will reconvene on Oct. 19, 2022 to continue its discussion.
- Letters of Intent for new applicants will be due Nov. 1, 2022 to the SCDE and to us.
- Report Cards will be issued on October 13, 2022. Note that ratings will begin again this year. Schools have access to the embargoed site to review their data.
- You're Invited! Please join us for our November Leaders Summit. This event will be held in our office on November 17th. We are excited to offer our
