

The South Carolina Court of Appeals

Charleston Advancement Academy High School,
Appellant,

v.

South Carolina Public Charter School District Board of
Trustees, Respondent.

Appellate Case No. 2023-001047

ORDER

On June 2, 2023, Respondent revoked Appellant's charter effective June 30, 2023. Appellant appealed this decision to the Administrative Law Court. On June 15, 2023, Appellant filed a motion for a temporary restraining order and/or a preliminary injunction and/or a stay of the revocation during the pendency of the appeal. After a hearing, the Administrative Law Court denied the request. Appellant's appeal concerning the propriety of the revocation decision by Respondent remains pending at the ALC.

Appellant then filed a notice of appeal with this court. Appellant also moved this court for a temporary restraining order, preliminary injunction, and/or stay of the revocation "to maintain the status quo until the merits of Appellant's appeal can be decided." After careful consideration, we grant a temporary stay and order the parties to provide memoranda addressing the issue of appealability within ten days of the date of this order.
