On January 24, we will facilitate a full day Application Reviewer Training to prepare internal and external reviewers to evaluate new charter school applications submitted on February 1, 2024.

The first set of Pre-Opening Conditions (POCs) are due for new schools on January 16th. Pre-opening conditions are due from January through July to prepare schools to open successfully for the 2024-25 school year.

January's edition of the All-a-Board newsletter was sent to our school boards and school leaders. Since January is board appreciation month, this month's newsletter is dedicated to our schools' board members and contains valuable information about board member roles and responsibilities.
